

**BUFFALO GROVE INSTRUMENTAL ASSOCIATION
BOARD POLICY**

CONFLICT OF INTEREST POLICY

Adopted August 28, 2001

The Buffalo Grove Instrumental Association (BGIA) will not enter into any agreement(s) with any individual(s) from its Board or General Membership under the auspices of a fund raiser where that person (or persons) will stand to make a direct financial profit. It will be shared with and understood that any member of the organization who offers an opportunity to the Board of the BGIA to consider a fund raiser will be doing so as a means to support the organization and the Buffalo Grove High School Band, and not as a vehicle for any individual in the organization for earning a personal profit.
