

**OTHER MUSICAL GROUPS**

Am I required to participate in Orchestra?	No. However, the Orchestra needs a small number of skilled wind and percussion musicians. The music department looks to those who sit in the higher chairs to fill this need.
What uniform does the orchestra wear?	The same tuxedos or black concert dresses as the band uses.
What is Pit Orchestra and can I participate?	<p>At BGHS a pit orchestra is utilized in the December musical. This is lead by the Orchestra director. It includes not only strings, but a limited cross section of wind, keyboard and percussion instruments from the band. Notices will be posted when it is time to sign up.</p> <p>Since this is not part of the band program, participation is the student's choice.</p>
